## Comparisons of Tenses

Name: .....

Class: .....

The table below describes the functions of three different tenses.

- Fill in the first column with the name of the tenses.
- Which of the following 10 sentences can be the examples of each usage of the tenses?
- What is the grammatical form of each tense?

Tense	Usages	Examples	Structure
	A situation that is permanent or a fact		✓ ..... ✗ ..... ? .....
	Everyday habits		
	An action happening at the moment of speaking		✓ ..... ✗ ..... ? .....
	A temporary situation		
	Something happening at a certain moment in the past; Something that interrupts another action in the past.		✓ ..... ✗ ..... ? .....

- Here are two types of exercise that I am doing.
- For example, a recent two-part study found that practicing gratitude has a significant impact on feelings of hope and happiness.
- So, I always try to regulate my sleeping time.
- Most adults need about 7 or 8 hours of sleep every night.
- So, I start each day by thinking of one thing I am grateful for.
- Now, after a great deal of research, I am trying four strategies to help me get my full happiness.
- You tend to smile when you are happy.
- I tried to cram up so terribly that I was still struggling to be awake at 2.00 am.
- Exercise is positively affecting me a lot, right at this moment of writing this.
- This month, I successfully start each morning by smiling in the mirror.
