

My name is Tom. I am eleven years old. I have got short brown hair and blue eyes. I am tall and skinny. My favourite colour is green.

I live in London. We have got a big house. I haven't got a pet. My mom is a nurse and my dad is a vet. I have got two sisters. Daisy is four years old and Sarah is eight.

I like going to school. My favourite subject is Maths. I don't like English. Every Tuesday I play basketball and every Sunday we have a match with other teams. We win all the games! My dad says we are the best team.
