Subject My summer? Not so fun.

Hi Yessi.

I'm happy to know about your vacations in San Francisco. My summer is not so fun. The weather \_\_\_\_\_ **(be)** awful. It is \_\_\_\_\_ **(rain)** right now, as always, and for that I often \_\_\_\_\_ **(stay)** at home all day. My mom usually \_\_\_\_\_ **(go)** out to run in the mornings but today she \_\_\_\_\_ **(not/run)**! Now, she \_\_\_\_\_ **(watch)** a movie and \_\_\_\_\_ **(laugh)** so hard, I can hear her from my room.

My dad and Tommy always \_\_\_\_\_ **(wake up)** late in Summer vacations, but today they \_\_\_\_\_ **(not/sleep)**! They are outside \_\_\_\_\_ **(cook)** breakfast to later watch the soccer game.

But tell me more about the life in San Francisco. What do people normally \_\_\_\_\_ **(do)** in the mornings? What are you and your cousins \_\_\_\_\_ **(do)** now?

Lots of love.  
Betty.
