

1 Read the leaflet.

**Special
City Tours**

Don't miss.... The Pyramids – Giza, Egypt

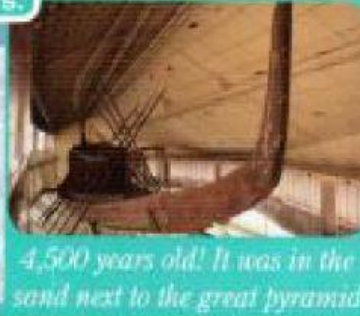

The tallest pyramid is 138.8 m high

steep and narrow steps

Hold on tight!

Where to find the pyramids:

4,500 years old! It was in the sand next to the great pyramid

What you can see

- the three great pyramids
- the smaller queens' pyramids
- a king's boat

What you can do

- go inside the Great Pyramid to the king's chamber
- walk all round the king's boat in the museum
- ride on a camel

What visitors say:

- ➡ Everyone should go to the pyramids – they're fantastic!
- ➡ The pyramids are huge. The ancient Egyptians were amazing engineers.
- ➡ The boat is wonderful – it doesn't look old at all.
- ➡ Ride on a camel, it's fun but be careful when it gets up!
- ➡ You'll enjoy everything at Giza. We had a great day out.

2 **Imagine you**

- went in the Great Pyramid
- saw the king's boat
- rode on a camel.

Write a review of your visit.

Act 1

1. Where are the pyramids?
2. How old is the boat?
3. Where was it found?

Act 2

Can you tell me about the information should be included in the review

Act 3

1. Where are the Great Pyramids?
2. What are their size?
3. What are inside the pyramids?
4. Where is the King's boat?
5. What is it made of?
6. What is it like?
7. Can you talk about riding on a camel?
8. Lastly, can you give out some tips for other visitors?
