We begin all letters with Dear ...

Dear Hans,

I'm a student at a school in Cambridge and I'm sixteen years old. I don't live in Cambridge but in a town just outside. I go to school by bus.

I like listening to music and playing football. At weekends I go out with my friends. Sometimes we go to the cinema and sometimes we just go for a walk with my dog.

I speak English and French, but I don't speak German. My favourite subjects at school are computer studies and maths, but I don't like history.

What about you? Please write to me.

Best wishes,

Max
