### III. GAP FILL

Listen, and write the correct words from the list on the right in the blanks' article of every paragraph.

Ukraine and Russia have signed a deal to allow (1) <input type="text"/> -needed exports of grain to resume from Ukraine's Black Sea ports. The resumption should (2) <input type="text"/> a world shortage of wheat that has left millions of people in Africa and India at (3) <input type="text"/> of hunger. Russia's invasion of Ukraine has also resulted in a global (4) <input type="text"/> in food prices. Millions of tons of grain are (5) <input type="text"/> waiting for export at ports. The deal to allow exports should ease the (6) <input type="text"/> on food prices. Russia's Defence Minister Sergei Shoigu and Ukraine's Infrastructure Minister Oleksandr Kubrakov signed the deal at a (7) <input type="text"/> in Istanbul. Turkey's President Erdogan helped to (8) <input type="text"/> the agreement.	<div>risk</div> <div>currently</div> <div>much</div> <div>broker</div> <div>rise</div> <div>ceremony</div> <div>ease</div> <div>pressure</div>
---	--

The sides took two months to reach the deal, after (9) <input type="text"/> negotiations. It is set to last for 120 days. Ukraine has warned that any Russian (10) <input type="text"/> could put the deal in (11) <input type="text"/> This has already been tested after Russian forces attacked the Black Sea port of Odessa within 24 hours of the deal being (12) <input type="text"/> . Mr Shoigu told reporters that the deal might facilitate the export of more (13) <input type="text"/> . He said: "I'm not talking about beginning only the export of agricultural products from Ukrainian ports, but also the export of (14) <input type="text"/> products and fertiliser from Russian ports." The US said more exports were needed, "to (15) <input type="text"/> the world's most vulnerable from sliding into deeper food insecurity and (16) <input type="text"/> .	<div>penned</div> <div>malnutrition</div> <div>intensive</div> <div>jeopardy</div> <div>agricultural</div> <div>provocation</div> <div>products</div> <div>prevent</div>
