

MOVES LIKE JAGGER – MAROON 5 FT. CHRISTINA AGUILERA

"Moves like Jagger" is a song by American band Maroon 5 featuring American singer Christina Aguilera. It was released on June 21, 2011, as the fourth and final single from the re-release of the group's third studio album Hands All Over (2010).

"Jagger has the moves like Jagger. That being said, if there was ever someone to aspire to, I don't think anyone could claim to have the moves like James Brown, or the moves like Michael Jackson, or the moves like Prince [...] There's something about the way [Jagger] moves that is uniquely his own and hard to imitate, but also accessible and silly and fun, and not taking itself too seriously".

Produced by: produced by Benjamin Levin - Release Date: June 21, 2011
