A. ant B. pet C. sun

II. Read the short paragraph.Underline the 12 words with two-syllables.

My sister was upset when she had to go back to visit the dentist. She found a problem with one of her teeth at her last checkup. She did not expect to be back sitting in Dr. Beth's lobby so soon. She brushed plenty, but all the candy she ate had made an impact. At least, Dr. Beth was excellent in her job.
