Listen to the song and fill out the gaps

I ain't gonna marry in the .....

He ain't gonna marry in the .....

'Cause I'm in love with a pretty little girl

Who wears a ..... ring

And I'm just a country boy

..... have I none

But I've got ..... in the stars

..... in the mornin' sun

Never gonna kiss

The Ruby red lips

Of the prettiest girl in .....

Never gonna ask her if she'd..... me

I know she'd ..... me down

I never could ..... a store bought ring

With a sparkling diamond stone

All I could ..... is a loving heart

The only one I own
