

PAPER PETALS

1. Click on this link to have the instructions to make the flowers. You can do the easiest or the three of them, it depends on your inspiration.

2. These pictures are not in the correct order. After you doing your flowers remember the instructions about how to make this flower and drag the pictures and instructions to the correct place.

 <p>Once again fold to make a triangle</p>	 <p>On opening look like petals of flower</p> <p>fold it again</p>	 <p>Variation</p> <p>Take another square paper</p>	 <p>open again and look one petal of flower</p>	 <p>Draw two curve lines and cut it</p>
 <p>Back side by hand and look four petals flower</p>	 <p>Fold paper to make one forth of actual paper</p>	 <p>Open folds and look four petals</p>	 <p>Draw half of petal and cut it</p>	 <p>Fold middle cutted part towards middle</p>
