

Many families can relate to the human experience of tucking children into bed and then

The child provokes a different response.

The author endeavours to entertain in a humorous way.

You could nearly say he outsmarts the dad.

dealing with the hassle of crying.

The story illustrates the underlying theme of parenthood and parental responsibilities.

Sometimes the conspiracy can become more of a problem than the original problem.

This story is amusing as something unexpected and funny happens at the end.
