

BE SAFE!

This is Danial.

Danial goes to school

by bike.  He always keeps both hands on the handlebars but he forgets to wear a

Aiman and Sarah walk to school.

They always look both ways

before

they cross at the crossing.

Nadia's mother drives her to school everyday.

She always fastens her seat belt  and never stick her head out of the window.

Who goes to school by car?

Who needs to wear helmet?

What should you do before crossing?

What should you never do in the car?

What should you do when riding a bike?
