SOMEBODY THAT I USED TO KNOW

Now and then I think of when we were together
Like when you said you felt so _____ you could die
Told myself that you were right for me
But felt so lonely in your company
But that was _____ and it's an ache I still remember
You can get addicted to a certain kind of sadness
Like resignation to the end
_____ the end
So when we found that we could not make sense
Well you said that we would still be _____
But I'll admit that I was glad that it was over
But you didn't have to cut me off
Make out like it _____ happened
And that we were _____
And I don't even need your love
But you treat me like a _____
And that feels so rough
You didn't have to stoop so low
Have your _____ collect your records
And then change your number
I guess that I don't need that though
Now you're just _____ that I used to know
Now and then I think of all the times you screwed me over
But had me believing it was always _____ that I'd done
And I don't wanna live that way
Reading into every _____ you say
You said that you could let it go
And I wouldn't catch you hung up on _____ that you used to know...
But you didn't have to cut me off
Make out like it never happened
And that we _____ _____
And I don't even need your love
But you treat me like a stranger
And that feels so rough
You didn't have to stoop so low
