1. Watch the video

2. Match words with their definition

1. to moisturize	• to apply makeup
2. to apply makeup	• to put a special substance on your skin to stop it from becoming dry
3. to put makeup on	• to spread or rub a substance such as cream
4. to blend out	• to use make-up to create darker and lighter areas on your face
5. to spray	• to mix or mingle (components) together thoroughly
6. to contour	• to flow out of a container in a mass of small drops

3. Watch the video without sound. Comment on Kylie's actions.

- First ... second ... third
- Next
- After that
- Then
- Finally
