

# Baroque music IV

**Exercise 1:** We are going to see some examples of baroque instrumental music. Our first audition will be of a concert by a composer that should already sound familiar to you. Of course, we are talking about Johann Sebastian Bach.

- This is the musicogram from the beginning of the **Brandenburg Concert No. 2**. Theme A, on which the entire movement is based, is divided into four parts of two bars each.

- Regarding the piece you just heard, is it a grosso concert or a solo concert?
- In general, what texture predominates in the movement that you have heard?
- What instrument(s) does the concertmaster make up in this concert?
- Mark with a tick the most appropriate characteristics for this concert.

The musical score shows the beginning of the Brandenburg Concert No. 2, featuring five staves. The notation includes various musical symbols such as notes, rests, and dynamics. Labels A1, A2, A3, A4, and B are placed above the staves to indicate specific sections of the music.
