Forum post: My best friend

My name's Ela and I live with my mum and my brother, Barney, in Oxford. My best friend is my stepsister, Judit. Her mum is my dad's second wife. We don't live in the same house but we go to the same school.

Judit and her mum are from Hungary. I can't speak Hungarian but they can speak English really well.

Judit is 12 years old. She's got short, brown hair and a fringe. I've got long, dark hair. I'm tall. Judit isn't very tall but she can play basketball really well. Judit and Barney are sporty but I can't stand sport. I'm quiet and I like writing stories.

Judit's really friendly and she loves talking! Some people think she's noisy but I don't, I love her. I think Barney is noisy because he sings all the time and he can't sing very well!

Judit and I are different but we are best friends.
