

Somebody that I used to know - Gotye

1- Fill in the blanks with the words from the box

Now and then I think of when we were together
Like when you _____ you felt so happy you could die
Told myself that you _____ right for me,
But _____ so lonely in your company.
But that was love and it's an ache I still _____

You can get addicted to a certain of sadness,
Like resignation to the end,
Always the end.

So when we found that we _____ (can) not make sense,
Well you said that we would still be friends
But I'll admit that I _____ (be) glad that it was over.

2- Order the chorus with numbers:

CHORUS:

Make out like it never happened
But you didn't have to cut me off
But you treat me like a stranger
And that we were nothing
And that feels so rough

And I don't even need your love

Now you're just somebody that I used to know

You didn't have to stoop so low

And then change your number

Have your friends collect your records

I guess that I don't need that though

2- Select the correct word:

Now and then I think of all the times you screwed me **over** / **on**

But **had** / **made** me believing it was always something that I'd done.

And I don't wanna live that way

Reading into **every** / **each** word you say

You said that you **could** / **can** let it go

And I **wouldn't** / **would** catch you hung up on somebody that you used to know.
