Hi everyone!
Today I'm cooking pizza for lunch. Can you help me to prepare it? I name the ingredients and you have to put them on the base or out of the base depending on what I say:

1. I have got some tomatoes on my pizza.
2. I haven't got any onions on my pizza.
3. I have got some cheese on my pizza.
4. I haven't got any olives on my pizza.
5. I have got some spinach on my pizza.
6. I have got some sweetcorn on my pizza.
7. I haven't got any tuna on my pizza.

TIP*: Coloca los ingredientes en los cuadrados en el mismo orden que aparecen en la lista: dentro o fuera de la pizza
