PROJECT

STUDENTS' FUTURE JOBS

1. Work in groups. Choose any class in your school and do a survey to find out:

- the number of boys and girls.
- how many of them would like to work as surgeons, airline pilots, nurses and shop assistants, or do other jobs in the future.

Class:					
Number of students	Surgeons	Airline pilots	Nurses	Shop assistants	Others
_____ boys					
_____ girls					

2. Report your results to the class. Which of the jobs is the least popular among the boys and which one the least popular among the girls? Give possible reasons.

********THE END********
