Break It All, Los Shakers

We want you to

We want you to

We want you to

Dance all long

But when the starts

Don't there like a fool

And break it all

You listen me, break it all

___ Before getting tired

___ Come and shake with us

___ Before getting sad

___ Brake plans tonight

___ And break it all

___ Don't stay there like a fool

___ But when the music starts

___ You listen me, break it all

If you're alone and nobody _____ with you

Oh, _____ don't mind and shake, oh yeah

Now, we're _____ you're fine

Do the shake, do the _____, oh yeah

And break it all

You _____ me, break it all

We want you to

We want you to

We want you to

Dance all long

But the music starts

Don't stay there a fool

And break it all

You listen me, break it all

___ Oh, please don't mind and shake, oh yeah

___ If you're alone and nobody shakes with you

___ Do the shake, do the shake, oh yeah

___ Now, we're know you're fine

And break it all

You listen me, break it all (oh-oh)

We want you to come

We want you to hear

We want you to dance

Dance all night long

But when the music starts

Don't stay there like a fool

And break it all

You listen me, break it all

And break it all

You listen me, break it all

And break it all

You listen me, break it all
