1. Read, choose and write the answer.

Juan thinks that riding a bike is the most exciting hobby. He got a new bike for his birthday. He went for a bike ride with his friends in the park. The park is a (1) place to ride bikes than the street. Riding down a hill is (2) dangerous than riding on flat ground, but Juan wanted to go fast! So he and his friends rode to the top of (3) hill they could find. It was more (4) than riding on flat ground. Juan rode down first. He went too fast and couldn't turn. He rode straight into a bush! That was the (5) bike ride in his whole life!
