

Another day without your
Another day just by
And now I know
How much it
For you to stay right here with me

The time we spent apart
Will make our grow stronger
But it so bad
I can't take it any longer

I wanna old with you
I wanna die in your arms
I wanna grow old with you
I wanna be looking in your eyes
I wanna be there for you
Sharing in you do
I wanna grow old with you

A thousand between us now
It causes me to wonder how
Our love tonight (our love tonight)
Remains so strong (remains so strong)

It makes our (it make our risk)
Right all along
The time we spent apart
Will make our love grow
But it hurt so bad I can't take it any longer

I wanna grow old with you
I wanna die in your arms
I wanna grow old with you
I wanna be in your
I wanna be there for you
Sharing in everything you do
I wanna grow old with you

Things can come and go
I know but
Baby I believe
Something's strong between us
Makes it clear to me

I wanna grow old with you
I wanna die lying in your arms
I wanna grow old with you
I wanna be looking in your eyes
I wanna be there for you
Sharing in everything you do

I wanna grow old with you
I wanna die lying your arms
I wanna grow old with you
I wanna be looking in your eyes
I wanna be there for you
Sharing in everything you do
I wanna grow old with you
