Writing

★ Write a 200-word academic paragraph on ONE the following topics:

A. Fashion is a powerful means of communication.

B. Fashion can be harmful for the planet.

C. There are some solutions to the problem of pollution caused by fashion.

➔ Brainstorm and narrow down the topic before writing. Use the information from the previous activities and your own ideas. Try to include at least six specific words and expressions.

➔ Revise the qualities of a good topic sentence, supporting sentences and concluding sentence and organize your ideas in an outline. Remember that you cannot use the topic given as the T.S. or title.

➔ Peer Feedback: Write the first draft of your paragraph, edit it and send it to a classmate.

➔ When your classmate has given you feedback, paste it in the following Liveworksheet and press "send". It will be automatically sent to your teacher's address.
