EXERCISE 2

Read the task card and watch the video of the student doing IELTS Speaking Part 2. She makes some mistakes with verb forms. Find and correct the mistakes.

In the IELTS Speaking exam, 25% of your mark is based on *grammatical range and accuracy*. *Grammatical range* means using a variety of tenses and types of sentence. *Accuracy* means not making mistakes. One way to improve your *accuracy* is to use correct verb forms.

Describe a job you would like to have.

You should say:
what the job is
what you know about that job
