## Reading Comprehension

Hi, I'm Dawn. I've got a really busy summer planned! First, I'm going to art camp. I'm most excited about the big show at the end of camp, when everyone will have their art hung in the local gallery. I'm hoping my work will be put in a spot near the front of the gallery so that there's a better chance people will buy it. Though most new artists must sell their work cheaply, I'm asking people to pay around a hundred dollars for each of my paintings. I think that's a fair price because my art teacher says my work is both brilliant and charming. I've always dreamed of becoming a famous artist. I'm hoping this is my chance to make it big!

As soon as art camp is done, I'm off to sports camp, where I'll be playing soccer for two weeks in a huge sports center. I love sports because they're a fun way to work out! Next year, I think I might try out for the squash camp as well.

Once sports camp is done, I then have to rush back home to attend my aunt's wedding. She's getting married to a really popular musician, and they've rented a huge historic church. It's going to be so romantic! After the wedding, I can finally take a break from hurrying from place to place. I can't wait to just hang out with my friends at the mall. We all want to check out the latest fashion trends before going back to school in September.
