God gave rock and roll to you, gave rock and roll to you
..... it in the soul of everyone

Do you know what you want? You don't know for sure
You don't ..... right, you can't find a cure
And you're gettin' ..... than what you're lookin' for
You don't have money or a fancy .....
And you're tired of wishin' on a .....star
You gotta put your faith in a loud .....
Now listen
If you wanna be a ....., or play guitar
Man, you gotta sweat or you won't ..... far
Cause it's never too late to work nine-to-five
You can take a ....., or you can compromise
You can work real ..... or just fantasize
But you don't start livin' 'till you .....

I gotta tell ya

I know life sometimes can get ..... and I know life sometimes can be a drag
But people, we have been given a ....., we have been given a road
And that road's name is rock and roll
