

***God gave rock and roll to you, gave rock and roll to you
..... it in the soul of everyone***

Do you know what you want? You don't know for sure
You don't right, you can't find a cure
And you're gettin' than what you're lookin' for
You don't have money or a fancy
And you're tired of wishin' on astar
You gotta put your faith in a loud
Now listen
If you wanna be a, or play guitar
Man, you gotta sweat or you won't far
Cause it's never too late to work nine-to-five
You can take a, or you can compromise

You can work real or just fantasize
But you don't start livin' 'till you

I gotta tell ya

I know life sometimes can get and I know life sometimes can be a drag
But people, we have been given a, we have been given a road
And that road's name is rock and roll
