

### Going fast!

19

Have you ever been on a plane, or in a fast train? What's the fastest speed you \_\_\_\_\_ at, do you think?

TRAVEL

20

Whatever it is, it's very slow compared to the Earth, which spins on its axis over the course of a day, and also \_\_\_\_\_ round the Sun.

GO

21

Yes, the Earth is a very fast means of transport! Right now, all of us on Earth \_\_\_\_\_ at a speed of nearly 110,000 km per hour as the Earth orbits the Sun!

MOVE

### The choice

22

Last month, I got some money for my birthday. Since then, I \_\_\_\_\_ about what to spend it on.

THINK

23

I'm not very good at making decisions, and it usually \_\_\_\_\_ me ages to make up my mind.

TAKE

24

But now I \_\_\_\_\_, I'm going to get a skateboard.

DECIDE

25

I \_\_\_\_\_ one, so I always have to borrow one from one of my friends when we go to the park. Well, no more!
