

Listen
Follow my
is no
Time for
He the one that us
You'll be the one to

Underground
to the circus
Power down
Are you ?
His voice to you
My just wants to lead you

Below the
Built without
Did we this?
here to serve

Daddy please!
We all for ice cream
This
Will help you with the
The stage up with controlled shocks
So tighten up all your locks

the vent
Keeping your
Hold your
Something's closer
There's no one to find you
I'll take your place inside you

the surface
without purpose
Did we deserve this?
You're here to serve.....

I'll take your
the mask
Then I'll be
And you'll be
, you'll be last
