LIVEWORKSHEETS

Read the text about David Gueta's routine and answer the questions

I wake up at about 1.00 p.m., and the first thing I do is go outside. I live in Ibiza and I like having breakfast in the sun. I usually have fruit juice, eggs, fruit, and tea. I never drink coffee. After breakfast, I answer my emails for an hour, then I go to the gym.

I never listen to music in the house, or even in the car, because music is my job. On a typical day I spend two or three hours in my studio, then another four hours at a nightclub. My work starts in the evening. I usually have dinner in a restaurant, and then I go to the club. I try to have a normal life, but my job isn't normal. I arrive at a club like a secret agent – I go in through the back door and Security takes me to the stage.

I finish work at 4.00 in the morning. Security takes me out, and then I go home. After about four hours playing music I'm very excited. My manager says, 'Go home and sleep', but that's impossible. First I need to calm down. When I get home I have a cup of tea, brush my teeth and say, 'Thank you for this wonderful life'. I am 47 now, but I want to do this when I'm 60 or 80. I want to do this forever.
