

Spicy Coconut Salad

Direction: Match the methods.

Method

VEGETABLES	COCONUT DRESSING
Add the coconut dressing to the vegetables and toss thoroughly.	Cook vegetables separately in boiling water. Do not overcook them.
Leave to the cool temperature.	Drain vegetables and place in a large bowl.
Process all the ingredients, except the grated coconut.	Put it in the steamer.
Serve at room temperature.	Stir in the coconut.
Wrap the mixture in banana leaf.	Cook over the boiling water, 30 minutes.
