

From the video above you would understand that, God created the heavens and earth as well as Adam and Eve.

Adam and Eve disobeyed God and that sin separates us from God. He told Adam and Eve not to eat from the tree of the knowledge of good and evil. But in **Genesis 3**, the serpent came along and told Eve it was really okay to eat from that tree. Eve gave Adam a piece of fruit and they ate it. Instantly Adam and Eve knew they had done something wrong and were afraid, so they hid from God. God came looking for them and found them. Adam and Eve told God they had eaten the fruit but were tricked by the serpent. God was angry and told the serpent he would have to slither on his belly all the rest of his life. He told Adam and Eve they would have to leave the garden and work the land for food and shelter.
