UNIT 1

The Future

LIVEWORKSHEETS

Write the correct number to identify the tenses of the examples below:

1 future simple (predictions, promises, spontaneous decisions)

2 going to (firm decisions, predictions based on solid evidence)

3 present simple (future events regulated by timetables or calendars)

4 present continuous (established plans for the immediate future, often involving other people)

___ I'm going to London on a school trip next week.

___ Our bus leaves at half past eight.

___ We're going to visit two museums.

___ I'm sure we will have a lovely day.
