

1. DRAG AND DROP TO ORDER THE PARAGRAPHS IN A COHERENT WAY.

PARAGRAPH 1 PRAGRAPH 2 PRAGRAPH 3 PARAGRAPH 4

We stayed in a hotel near the centre, so it was really easy to get to lots of places in the city. The rooms were great and had really good views. The restaurant was really small and crowded though, and the food wasn't very nice.

I'm looking forward to your visit in the summer. What time is your flight due to arrive?

While we were having breakfast one morning, a good-for-nothing person broke into my classmate's room and stole his wallet. He reported the crime to the hotel manager at once. After a while, the police arrived and interviewed three of the hotel employees. In the end, they didn't make any arrests.

How are you? Last week I went with my class on a three-day trip to Dublin. We travelled by coach to Liverpool and then took the ferry. I didn't enjoy the crossing because the sea was a bit rough
