The Plane Tree

By Aesop

One sunny noonday, Nick and Noah were tired working hard up on the mountain, the men needed a rest. They found the shade of a tree where they could lay down. As they were looking up among fresh and green leaves, they saw that it was a Plane Tree.

"How useless is this Plane tree!" Nick said. "It gives no fruit, and only serves to litter the ground with leaves."

"Ungrateful creatures!" said a voice from the Plane Tree. "You rest here in my cooling shade, and yet you say I am useless!"

Our best blessings are often the least appreciated.
