

I. Choose the correct option

1.If/when + present tense is the structure of:

- ☐ Second Conditional
- ☐ Zero conditional
- ☐ First conditional.

2.This is used when a change in past situation would have caused a different present situation:

- ☐ Second form + Third form.
- ☐ Third form + second form.
- ☐ First conditional.

3.If you change the order of the clauses, the meaning is identical.

- ☐ False
- ☐ True

II. Match the statements to make a correct conditional

- | | |
|--|---|
| 1) If I had studied... | ☐ You would be with us right now |
