

I haven't slept at all in .....

It's been so ..... since we've talked

And I have been here many .....

I just don't ..... what I'm doing wrong

***What can I do to make you ..... me***

***What can I do to..... you care***

***What can I ..... to make you feel this***

***What can I do to ..... you there***

There's only so much I can .....

And I just got to let it.....

And who ..... I might feel better, yeah

If I don't ..... and I don't hope

No more waiting, no more aching

No more ....., no more, trying

Maybe there's nothing ..... to say

And in a ..... way I'm calm

..... the power is not mine

I'm just going to let it .....
