

A LETTER TO A PEN PAL

Read and practice.

Wednesday

Dear Peter,

My family and I live in San Juan. We speak Spanish. My mother is a music teacher. She plays the violin and the piano. My father works in an office.

My brother Ramon and I go to school every day. We study history, English, Spanish, science, and mathematics. My favorite school subject is science. I don't like history, but I like mathematics.

Do you like sports? Every day at school I play soccer. On Saturday I swim. What sports do you play? What kind of music do you like? I like rock music and country music very much, but I don't like jazz. What kind of movies do you like? I like adventure movies and comedies. I think science fiction movies are terrible.

Tell me about your family and your school.

Your friend,
Maria
