The end of money?

## Your comments

■ **Angelo** Last year I got into <sup>1</sup>  debt because I spent too <sup>2</sup>  money on credit cards. Now, when I go out I just take <sup>3</sup>  cash for what I need. I've saved <sup>4</sup>  money this way. In a cashless society too <sup>5</sup>  people would get into debt. It would be a disaster.

■ **Johan** We need to carry <sup>6</sup>  cash so we can do things like give <sup>7</sup>  coins to street performers. Also, cash teaches children <sup>8</sup>  important lessons about the value of money.

■ **Audrey** I don't see <sup>9</sup>  practical reasons why we need cash. It costs the government <sup>10</sup>  money to produce it and <sup>11</sup>  criminals benefit from the cash economy. By the way, I am 85, and I don't have <sup>12</sup>  problems using modern technology, thank you.
