Science
WEATHER
Lesson 9

Read the story below.

The Seasons

The weather changes.
Sometimes it is hot.
Sometimes it is cold.
It rains and it snows.
Do you know why?
There are four different seasons.
They are summer, fall, winter, and spring.

Summer is the warmest season.
People swim to stay cool.
We go to the beach.
Many plants grow in the summer.
Young animals grow big and strong.
