

Hello!! Today we have two activities.

Let's work!!

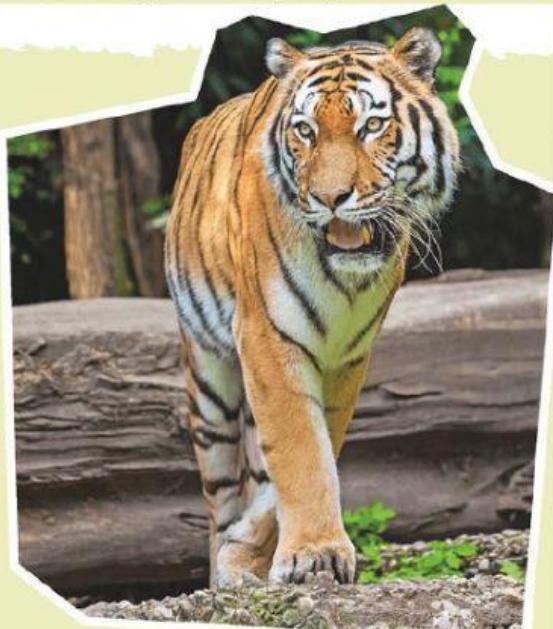

Date:

1. Read and write the correct word.

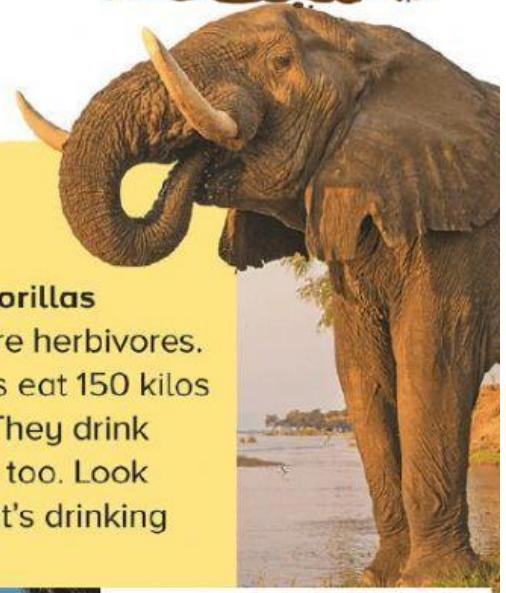

Carnivores

Carnivores eat animals. **Lions**, **crocodiles** and **tigers** are carnivores. Tigers eat monkeys, snakes and big animals. They can swim and they eat fish and frogs too. Look at this tiger. It's hunting in the jungle.

Herbivores

Herbivores eat plants. **Zebras**, **gorillas** and **elephants** are herbivores. African elephants eat 150 kilos of plants a day. They drink 60 litres of water too. Look at this elephant. It's drinking from a river.

Omnivores

Omnivores eat animals and plants. **Flamingoes**, **chimpanzees** and **ostriches** are omnivores. Ostriches eat fruit, plants, insects and small animals. Look at this ostrich. It's eating a plant.

1. Tigers eat _____, snakes and big animals.
