Ryan Reynolds Westchester

Omg, I love this picture of my beautiful town, Bedford, New York. It's a great place for people like me, famous people who want some privacy and peace. There are only 4,000 people in Bedford. It's a small town, but it has many things to do and many places to go. There are four schools 🎓 and three parks 🌳. There are small greengrocers' 🥬 and two big supermarkets, too. There is a famous Mexican restaurant that cooks delicious tacos 🌮. I like Mexican food. There aren't soccer fields 🏈, but there is a sports centre where you can practise sport. There isn't a cinema 🎬 or a theatre. It is a very safe place because there are four police stations 🚔 in the town. There is only one. The only problem is that there isn't a gym 🏋️ to do exercises.
