We're staying at their house and we're doing a lot of interesting things. Every day we go to the beach, but usually only in the morning. That's because the weather is quite strange here. It's really hot in the morning, but it often becomes very cold later in the day! In the afternoon we often cycle, but only in Stanley Park. Vancouver has a lot of hills – we don't cycle up those! It's a great city. I want to come back next year!**
