Why or why not?

Pizza Night

There are six members of the Smith family - Mum, Dad, Sonny, Paula, Rick and the baby. There are seven family members if you count the dog, Scooby.

It is Saturday night. Every Saturday, the Smith family send out for a takeaway pizza. They all love pizza. Most Saturdays, they order a pepperoni pizza, but sometimes, they order a Hawaiian pizza. The toppings on a Hawaiian pizza are ham and pineapple. They drink coke or lemonade. They have a good chat and a laugh together. Sometimes, they invite grandma and grandad Smith. At the moment, the grandparents are on holiday. They are in Spain. After the pizza, Mum puts the baby to bed. Then Mum and Dad watch TV. The older children go out to play with their friends, or they play computer games in their bedroom.

Are the statements TRUE or FALSE?

1. There are six children at table. T/F
