

## PRACTIQUEMOS LAS SUMAS

(Recuerda que puedes usar objetos o tus dedos para contar)

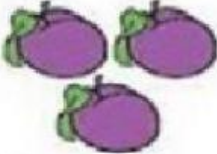

|                                                                                                                                                                                                                                                             |                      |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------|
