

Year 4 Reading Comprehension

Term 1 Week 5

Assigned: 23/09/2022

Due: 27/09/2022

Seasons

Look at the pictures and read the information on the page.

plums

raspberries

cherries

strawberry

Summer heat

In the drowsy heat of summer,
ants march, **dragonflies** dance,
and **mosquitoes** buzz.

Juicy **fruits** are ripe for picking and for making
into yummy summer foods and drinks.

stay warm

Some animals
prefer hot, dry
weather. Lizards lie
back and soak up the
heat of the Sun to
keep warm.

14

Use the text and picture on page 56 to help you answer the questions below. Think about the different question types.

1. What is this information about?

2. Name the fruits that are ripe for picking in the summer.

3. Give examples of the types of summer foods and drinks that you could make from one or more of these fruits.

4. Do lizards enjoy sunbathing in the summer? How do you know that?

5. The author talks about 'the drowsy heat of summer'. What do you think they mean by the word 'drowsy'? Tick the correct box below.

sleepy

chilly

awake

Write your choice of word for drowsy in this phrase:

'In the _____ heat of summer...'

6. Do you think insects enjoy the sunshine in the same way as lizards do? Why do you think that?
