

THE KIDS ARE PLAYING IN THE PARK

It is Saturday afternoon and the neighborhood kids are playing in the park. Tom and Michael are kicking a soccer ball. Anna and Susy are flying their colorful kites and Lisa is sitting in a white bench reading a new mystery novel. It is a beautiful summer day; all the kids are having a great time.

While the kids are spending time together their parents are organizing a barbecue for all the neighborhood. The women are making a chicken salad and the men are cooking burgers and hot dogs. Even the neighborhood dogs are having a good time, they are chasing a tennis ball.
