I. Complete the song with the song with the words you hear.

Every time you f%&# up, I will find an _____ to forgive you
And every time that you're good, I _____ all the hurt and redeem you
And I don't _____ what I've been chasing
Caught feelings, now I gotta face them
But I can't refuse you and I'm feeling used, getting used to it

I _____ ____ with my message unread
You're probably with your friends or some sh$#%
Then you come and crawl into bed and I let you

CHORUS

II. Organise the lyrics in the order you hear them.

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____

Wondering why I try, try, try

I let you get away-way-way with murder

With my murder, with murder

I let you get away-way-way, let you get away-way-way

Got me wondering why, why, why?

I let you get away-way-way with murder

Get away, I let you get away-way-way with murder
Let you get away, I let you get away-way-way

III. Choose the word you hear.

Everyone **says / said** you're hot, that you mean well, but you're not a keeper
But if I let you loose, I may **come / look** back at you and I wonder
The **truth / true** behind the wondering eyes
The loose ends always **coming / going** untied
While I'm hanging by threads, will I **mess / miss** out instead on another love?

I put **up / down** with your cold shoulders
You're going **thought / through** my texts and numbers
As if I got something to cover and I **let / bet** you

REPEAT CHORUS.
EXERCISE II

Chorus 2.
I let you get away, let you get away
I let you get away, let you get away-way
I let you get away, let you get away
I let you get away-way
