

## Homework Week 6 Day 4

**Directions:** Read the genre descriptions and choose the genre that best describes each.

|                                                                                                                                                                                                                                                          |                                                        |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------|
| <ul style="list-style-type: none"> <li>• Fiction story (usually long)</li> <li>• Often has talking animals</li> <li>• There's usually wizardry or magic</li> </ul>                                                                                       | <div>Nonfiction / Fantasy / Tall Tale</div>            |
| <ul style="list-style-type: none"> <li>• Fiction story set in the past, based on what life was really like</li> <li>• Characters and events may be real or made up</li> <li>• Events teach readers what life was like at that time in history</li> </ul> | <div>Historical Fiction / Humor / Fairy Tale</div>     |
| <ul style="list-style-type: none"> <li>• Fiction story</li> <li>• An animal is usually the main character</li> <li>• The story usually teaches a lesson</li> </ul>                                                                                       | <div>Fable / Fantasy / Folk Tale</div>                 |
| <ul style="list-style-type: none"> <li>• Fiction Story</li> <li>• Events and setting could actually happen in real life even though the story is made up</li> <li>• Characters have real-life problems</li> </ul>                                        | <div>Nonfiction / Realistic Fiction / Humor</div>      |
| <ul style="list-style-type: none"> <li>• Fiction story</li> <li>• Characters could include princesses, princes, kings, queens, wizards, witches, and giants.</li> <li>• most have happy endings</li> </ul>                                               | <div>Fairy Tale / Historical Fiction / Folk Tale</div> |

# Writing Homework:

Identify the sentences are complete or incomplete.

1. What is this? \_\_\_\_\_
2. A girl and her cat. \_\_\_\_\_
3. There were two dogs. \_\_\_\_\_
4. There are three horses in the field. \_\_\_\_\_

# Math Homework:

1. Which statements are true?

$$1,643,902 < 1,643,209$$

$$1,643,209 < 1,643,290$$

$$1,643,029 < 1,643,092$$

$$1,643,290 < 1,643,209$$

2. Which of the following makes the statement true?

$$\underline{\hspace{2cm}} < 1,968,213$$

a. 1,968,282

b. 1,968,382

c. 1,968,132

d. 1,968,231

3. Order the whole numbers from least to greatest.

|          |  |
|----------|--|
| Least    |  |
|          |  |
|          |  |
|          |  |
| Greatest |  |

2,875,031

2,857,103

2,875,310

2,857,013

# Virginia Studies Homework:

**\*\*Please be aware that this has to be hand graded due to ordering, if not entered the way it is coded, it will mark it wrong, therefore, we will look at it individually**

Click and drag the boxes to the correct columns of the chart to show what you know about Virginia's five regions.

| Appalachian Plateau | Valley & Ridge | Blue Ridge Mountains | Piedmont | Coastal Plain (Tidewater) |
|---------------------|----------------|----------------------|----------|---------------------------|
|                     |                |                      |          |                           |
|                     | Both:          |                      |          |                           |

|                                       |                               |                         |                            |                                         |
|---------------------------------------|-------------------------------|-------------------------|----------------------------|-----------------------------------------|
| Flat land                             | located in southwest Virginia | source of many rivers   | west of the Fall Line      | part of the Appalachian mountain system |
| includes the Great Valley of Virginia | rolling hills                 | near the Chesapeake Bay | includes the Eastern Shore |                                         |
