

Activity 2 Narrating different problems at work

Narrate the problems of different products/services using the notes given below. Remember to add connectives where necessary.

1.

Our internet connection:

- ✖ work again yesterday
- connection problems (whole morning); unhelpful technicians

Our internet connection

It was really a terrible experience.

2.

Hotel shuttle bus:

- ✖ follow bus schedule again this week
- early departures & late arrivals (all the time); poor drivers' manner

The hotel shuttle bus

I think it is time we look for a new shuttle bus company.

3.

Our coffee machine:

- out of order again yesterday
- rusty stains (bean basket); water from machine: ✗ hot enough

The coffee machine in our shop

. It seriously affected the quality of our coffee.

4.

Our digital camera:

- ✗ functioning well again this morning
- dust (camera lens); blurry images (display screen)

The digital camera of our department

. I don't think it is going to work anymore.
